Foaming Carpet Shampoo

A dry high foaming carpet shampoo containing dry cleaning agents for extra cleaning power.

For use with rotary or horizontal dry foam machines. Dries to a flaky residue that vacuums away easily. Contains the grease cutting solvents commercial dry cleaners use for extra cleaning power.

For use on most carpeting and upholstery. Used according to label direction, it will not overwet the carpet or upholstery fiber allowing the area or item being cleaned to be put back in service with a minimum of down time.
