Liquid Hand Dishwash

A yellow opaque hand dish wash with a pleasant floral odor.

Combines high detergency with gentleness to the hands. produces high stable suds. Attacks and emulsifies food grease, proteins and starches. Tough on soil but gentle to the hands. Lotionized to keep soft and supple.

A hard working formula that is safe to use on all conventional dishware such as aluminum, stainless steel, china, polycarbonate, Pyrex and glass. Used by professional kitchens in schools, institutions, nursing homes, hospitals, restaurants, etc.
