

Dust Go

#123

Dust Mop Treatment

A launderable dust mop treatment and maintainer.

A triple action product that cleans, polishes, and protects all in one operation. Actually attracts particle like a magnet. Cleans normally soiled floors with one pass. Leaves behind a clean polished floor with a light protective coating. Launderable, allowing the removal of all the accumulated soils and debris. Extends the life of the dust mop and retards resoiling.

A top of the line product designed for use in schools, hospitals, offices, factories, nursing homes, institutions, etc. Safe to use on all hard surfaces such as wood, tile, etc.

Applications

- Wood
- Tile
- Stone
- Concrete
- Painted Surfaces
- Desks
- Tables
- Book Cases

Areas of Use

- Offices
- Factories
- Nursing Homes
- Schools
- Hospitals, etc.
