

Freezer Locker Cleaner #137

Product Description

Ready to use convenience combined with the versatility of a glass and utility cleaner. Manufactured with only the purest raw materials to eliminate any chance of streaking or leaving a residual film.

Strict manufacturing and quality controls procedures provide for the making of the best window cleaner to be made today. May be used on glass, mirrors, plexiglass and plastic. Excellent for use as a light utility cleaner for items such as door molding, bedframes, chairs, telephones, stair railing, chrome and stainless steel surfaces.

Applications

- Glass
- Mirrors
- Chrome
- Bedframes
- Plexiglass
- Plastic
- Stainless Steel
- Telephones

Areas of Use

- Hotels/Motels
- Restaurants
- Schools
- Restrooms
- Offices
- Institutions
