

De-Lime-Inate

#201

Lime Scale Remover

Removes lime scale and hard water build up from hard surfaces.

Works by efficiently dissolving the mineral deposits using a blend of acids and chelating agents. Works well over a wide variety of water types including those high in calcium, magnesium, iron, and other metal ions. Rinses quickly and easily. Does not contain any perfumes, or coloring agents. The lime eliminator - dissolves scale build up from steamtables, dishwashing machines, drinking fountains, bath and kitchen fixtures, coffee fixtures, coffee machines, glassware, labware, and sinks. Excellent for brightening aluminum and stainless steel food utensils.

Applications

- Steam Tables
- Machines
- Glassware
- Labware
- Sinks
- Bath Fixtures
- Kitchen Fixtures
- Coffee Fixtures

Areas of Use

- Restaurants
- Schools
- Hospitals
- Industry
- Laboratories
