

De-Ice

#513

Liquid Ice Melt

A ready to use liquid ice melt for use in localized areas.

Keeps ice from forming and snow from sticking for hours. Melts ice and snow chemically without heat. Does not contain ethylene glycol which is poisonous to animals. Harmless to wood, rubber, asphalt, concrete, metal and most painted surfaces. Will not harm grasses, bushes, and other shrubbery.

Used by shopping malls and retail shops in front of doors, steps, sidewalks, and factories to keep loading docks, ramps, and other areas safer when icy conditions could make it dangerous. Municipalities spray salt, rock, and sand piles to keep from freezing.
