

Coil Cleaner

#515

Water Based Detergent Filter Treatment Aid

A heavy viscous water based detergent for cleaning coils and as an aid in filter treatment.

Completely safe, no flash point, harmless to all types of metals and plastics. Self rinsing, leaves a clean surface without any residue. Removes dust particles, lint, tobacco film and greases. Penetrates quickly, rinse through condensation action increases efficiency.

Cleans all types of coils from chillers, coolers, air conditioners, and the like. Excellent as a filter aid. It's action acts like a magnet attracting dust and dirt particles, holding them tight on the filter surface.

Applications

- Chillers
- Air Conditioners
- Coolers, etc.

Areas of Use

- Office Buildings
- Schools, etc.
- Meat Lockers
- Institutions
- Grocery Stores
- Refrigerated Warehouses
- Refrigeration Repair Shops
