

## Hot Stuff

# #567

### Granular Sewer Opener

It's a non-explosive, granular sewer opener. When added to sewage lines, it quickly eliminates stoppage due to grease, oil, fiber sludge, and other organic matter. a super hot formula.

Add directly to strategic manholes. Add to plugged lines for immediate remedial reaction. Use it for a preventive maintenance on regular intervals to keep lines from plugging. For effective action, running water must be added.

### Applications

- Grease
- Oil
- Fiber Sludge
- Other Organic Matter

### Physical Properties

Form.....Granular Powder  
Odor.....Low  
Color.....Red  
Stability.....1 Year Min.  
Cold Stability.....Not Affected  
pH.....1%  
Solution.....14.0

### Packaging & Freight

- 50# Pail

### Areas of Use

- Sewer Lines
