

## Smells Grape!

### Oil Based Deodorant

Great for the hard to cover odors and stench such as those found in and around garbage cans, dumpsters, waste receptacles, refuse trucks, drains, grease traps, etc.

Used with confidence by industry, schools, nursing homes, apartment buildings, packing plants, rendering facilities, poultry processors. Long lasting, may be used undiluted or mixed with water or solvent if further economy is desired. May be applied with a solvent resistant trigger sprayer, pump, or using the drip method for continuous around the clock odor control. Covers stale odor often associated with empty homes, buildings, apartments, and drains

May be used as supplied for maximum odor cover up. Use full strength when applying by the drip method or if malodor are especially intense. Cover the affected area by wetting it thoroughly. Pleasant grape odor will lift throughout the area. May be diluted with water or solvent for greater economy or if the odors to be
