

Soft N' Pink

#605

Liquid Fabric Softener

A concentrated liquid fabric softener for use in commercial laundries.

A modern product for the professional laundry. Disperses well even with the cooler wash temperatures being used today. Depending on the amount used this product can act as an ironing aid, an anti-static, and as a general softener.

Used by schools, nursing homes, hospitals, institutions, and commercial laundries. Use on clothes, diapers, sheets, dressing gowns, etc. For best results: per 50 pounds of laundry - 1 oz. as an iron aid, 1.5 oz. as a processing aid, and 2-3 oz. for general softening.

Areas of Use

- Schools
- Nursing Homes
- Hospitals
- Institutions
- Commercial Laundries

Applications
