

Shine-Up

Tire Dressing

A top of the line tire dressing that is silicone free and used on exterior surfaces.

May be applied with a sprayer, sponge, or cloth. Does not have to be rubbed in to produce a shine. Simply spray on and go to the next tire. Use on tires, exterior moldings, rubber, and exterior vinyl.

Use on new and used cars, trucks, vans, etc. Used by new and used car dealers, detail shops, garages, and other professionals.

Applications

- Exterior Vinyl
- Moldings
- Tires
- Rubber
