Liquid Vehicle Wash & Wax

One application is all it takes. A concentrated detergent and wax suitable for cleaning all types of motor vehicles.

A premium detergent that is the choice of vehicle washing professionals. Quickly removes road film, bugs and other road soils. Contains degreasing agents to remove soot and exhaust film. Safe to use on glass and aluminum. Rinses freely and easily. The water sheets off the vehicle leaving behind a glossy protective finish, that provides temporary protection against salt, air pollution, smog and other contaminants found along roadways and in urban areas. Water will bead up on the surface making for easy drying or towel-drying the surface if desired. Leaves behind a rich luster without the extra hand labor of buffing

Excellent for use on cars, vans, motorcycles, trucks, campers school buses and motor homes. Also for use on earth moving equipment, tractors, farm implements, trailers etc.

Applications

- Road Film
- Bugs
- Soot & Exhaust Film
- Other Road Soils
