Laundry Detergent

A premium commercial dry laundry detergent.

Designed for the professional laundry. Heavy duty to remove today's soils, but gentle and safe to use on all washable fabrics. Contains borax and other natural deodorizers. Works well in all water temperatures; contains optical brighteners. Brightens without yellowing.

Used by schools, nursing homes, hospitals and commercial laundries. Safe to use on towels, sheets shirts, jerseys, robes, etc. Economical to use. A 50 lb. load requires four to eight ounces of product.
