

Technical Bulletin

Rinse Injector Fluid Concentrate #LB075

Product Description

Eliminates the surface tension of the rinse water. This causes the soap to rinse away completely and drain more rapidly.

No towel drying or wiping. No water spotting. Fast drying action. Removes all soap and mineral deposits. Will not damage machine. Works even in hardest water.

Areas of Use

- Automatic dishwashing machines

Physical Properties

Form.....Liquid
Odor.....Alcohol
Color.....Light Green
Solubility.....Complete
pH.....9.83 to 11.69
Specific Gravity.....1.01 to 1.02
Flammability.....Non-flammable
Biodegradability.....Biodegradeable

Packaging & Freight

55 Gallon to 1 Quart
