

Technical Bulletin

True Reflections

#LB122

Product Description

This product is a versatile floor finish that will provide a high gloss, mop-on shine with no buffing, to any speed buffing. Used with a high speed maintenance program (buffer rpm 1100 to 3000). This product will provide an extremely high gloss, true reflection shine and a tough durable finish.

True reflections shine. Non slip finish. Excellent scuff and heel mark resistance. Will not yellow or powder. Most versatile floor finish available.

Applications

- Any resilient tile floor, no matter what maintenance program is followed.
