## Enzyme Carpet Shampoo

# #LB215

### Product Description

---

A liquid live bacteria/enzyme that cleans and deodorizes. This product is an excellent spot remover (for organic soil) as well as a total carpet cleaner and deodorizer. Desired results achieved by bacterial/enzymatic digesting of organic-matter as well as detergent cleaning of inorganic material. Actual removal of obnoxious odors from urine, vomit, spoiled foods, mildew, etc. by eliminating the odor source.

Actual removal of organic matter. Slight masking fragrance will immediately cover odors until organic matter is totally digested.
