

Technical Bulletin

Liqui-Bac

Liquid Bacteria

A concentrated liquid bacterial suspension with a powerful deodorizing agent. Liquefies waste and gives an immediate solution to odor problems. Contains bacteria that are genetically designed to breakdown waste products and control odor problems at their source, including the rotten egg odor that occurs after using sulfuric acid drain opener. Guaranteed to be salmonella free and contain only non-pathogenic bacteria. Formulated with a highly effective odor control agent that stops most odor problems immediately.

Applications

Oil, grease, cannery waste, fats, starch, protein material, food processing, animal waste

Areas of Use

Waste Treatment Plants, Feed Lot Operations, R.V. Toilets, Stock Yards, Septic Systems, Restaurants, and Zoos

Physical Properties

Form.....Liquid
Odor.....Floral
Color.....White/Off-White
Clarity.....Low
Sediment.....Opaque
Stability.....1 Year Min.
Cold Stability.....Do Not Freeze
Specific Gravity.....0.995
Pounds/Gallon.....8.3
Phosphates.....None
Flash Point.....None

Packaging & Freight

55 Gallons.....494#
35 Gallons.....315#
20 Gallons.....186#
6 Gallons.....53#
5 Gallons.....44#
4/1.....36#
