INSTITUTIONAL USE ONLY

SHINE UP

RESTORES ORIGINAL SHINE
*Specially formulated to repair
scuffs and marks.*

CAUTION
Keep out of the reach of children

DIRECTIONS:

1. Fill sprayer.
2. Clean floor thoroughly.
3. Spray solid stream ahead of buffer machine.
4. Force dry with buffer, using pad appropriate to speed of machine.

When using 175 RPM machine, use red pad to remove stubborn scuff marks, then white pad, to polish. When using high speed machine, remove stubborn scuff marks with white pad, then use gray pad to polish.
