ADIOS DRAIN FLY REPELLENT

ADIOS drain fly repellent is a thick gel that clings to pipes and drains to rid them of drain fly infestations. Repels annoying and unsanitary drain flies with Citronella, a natural fly repellent. ADIOS is biodegradable, non-toxic and non-caustic.

DIRECTIONS FOR USE: For best results, apply product at time of lowest drain use, typically at the end of the day. Initially, add 8 ounces to each drain. Try to coat side surface areas inside drain pipe. Repeat daily as necessary until desired results are achieved. Then apply 4–8 ounces per week as a maintenance dosage.

PPE: Recommend latex or rubber gloves and protective eye wear.

FIRST AID TREATMENT: Avoid skin or eye contact. If eye contact occurs, rinse thoroughly with water for 15 minutes. If irritation persists, seek medical attention. Do not ingest. May cause gastrointestinal irritation with nausea and diarrhea.

Limitation of Liability: QuestVapco Corporation makes no warranties of merchantability, or of fitness for a particular purpose, nor any other express or implied warranty except as stated above. Buyer assumes all responsibility for safety and use not in accordance with label and precautionary statements.
