

# FOAMINATOR™

## CONDENSER COIL CLEANER

### DESCRIPTION

FOAMINATOR™ condenser coil cleaner is an alkaline-based, non-acid formula that sprays through coils as a liquid. After 20 to 30 seconds, it begins to foam heavily pushing contaminants and oxides to the surface to be easily rinsed away. Foaminator™ does not atomize; there is no burning sensation to the user's hands and arms. Biodegradable, phosphate free and USDA authorized.

### APPLICATIONS

An excellent product for air conditioners, central cooling systems, refrigeration systems and auto air conditioners. For use in hotels/motels, homes, office buildings, air conditioner services, and auto repair services.

### FEATURES & BENEFITS

- Cleans and brightens all condenser coils
- Reduced fuming & odorless
- Delayed heavy foaming action
- Improves heat exchange efficiency
- VOC content is 1%

### SPECIFICATIONS

<b>FORM:</b> Water-Based Aerosol	<b>FLASH POINT:</b> N/A
<b>ODOR:</b> Bland	<b>FLAME EXTENSION:</b> None
<b>COLOR:</b> Slight Yellow	<b>SOLUBILITY IN WATER:</b> Complete
<b>DETERGENCY:</b> None	<b>SPECIFIC GRAVITY:</b> 1.13
<b>TOXICITY:</b> 2 mg/m3	<b>% VOLATILE BY VOLUME:</b> 85%
<b>WETTING ABILITY:</b> Saturates	<b>pH:</b> 13+
<b>STORAGE STABILITY:</b> 1 Year +	<b>PROPELLANT:</b> Propane
<b>COLD STABILITY:</b> 32°F	<b>EVAPORATION RATE:</b> Slow
<b>PHOSPHATES:</b> None	<b>BIODEGRADABILITY:</b> Yes

### LABEL INFORMATION

#### FOAMINATOR™ CONDENSER COIL CLEANER

FOAMINATOR™ condenser coil cleaner is easy to use. Non-acid Foaminator™ foams heavily, penetrates deeply into coils to eliminate contaminants and oxides. It removes grease that acid cleaners can't remove. Foaminator™ works fast, leaves coils clean, bright and smooth, improving heat exchange efficiency. Foaminator™ cleans and brightens all condenser coils.

**DIRECTIONS:** Goggles, gloves and other protective clothing should be worn when using this product. Turn off system. Hold can about 12 inches from coil. Spray solution directly onto coil, saturating thoroughly. Rinse thoroughly after 3 to 5 minutes. For very greasy coils, allow additional time—up to 10 minutes.

**DANGER:** Contains Sodium Hydroxide (caustic soda). Causes severe burns. Wear eye goggles or full face shield, rubber gloves and protective clothing. Avoid contact with eyes and skin: Product causes burns. Causes damage to mouth, stomach and other tissues when swallowed. Avoid breathing vapor. Use only in well ventilated areas. Wash thoroughly after using and handling.

**FIRST AID:** In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, keep eyelids open during flushing. Call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, DO NOT INDUCE VOMITING. If conscious, drink one quart of water. Take to hospital immediately.

**STORAGE AND DISPOSAL:** Storage: Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F. Disposal: Wrap container and put in trash collection.

**CONTAINS (CAS#):** Sodium Hydroxide (1310-73-2), Propane (74-98-6), Isobutane (75-28-5).
